

Create your own Carddies Family 1 jigsaw puzzle

B

A

This version of the jigsaw project is for older children with good copying skills

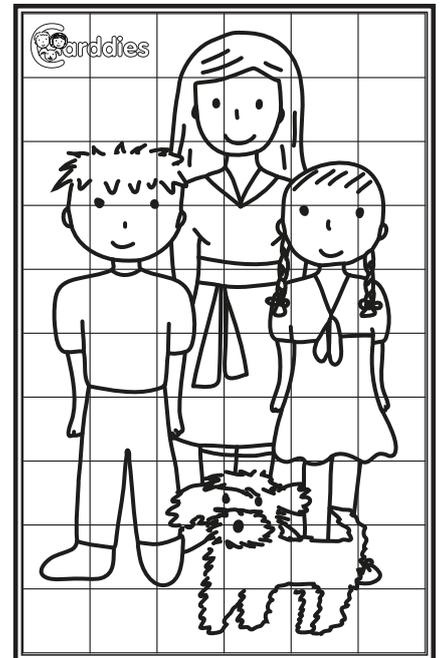

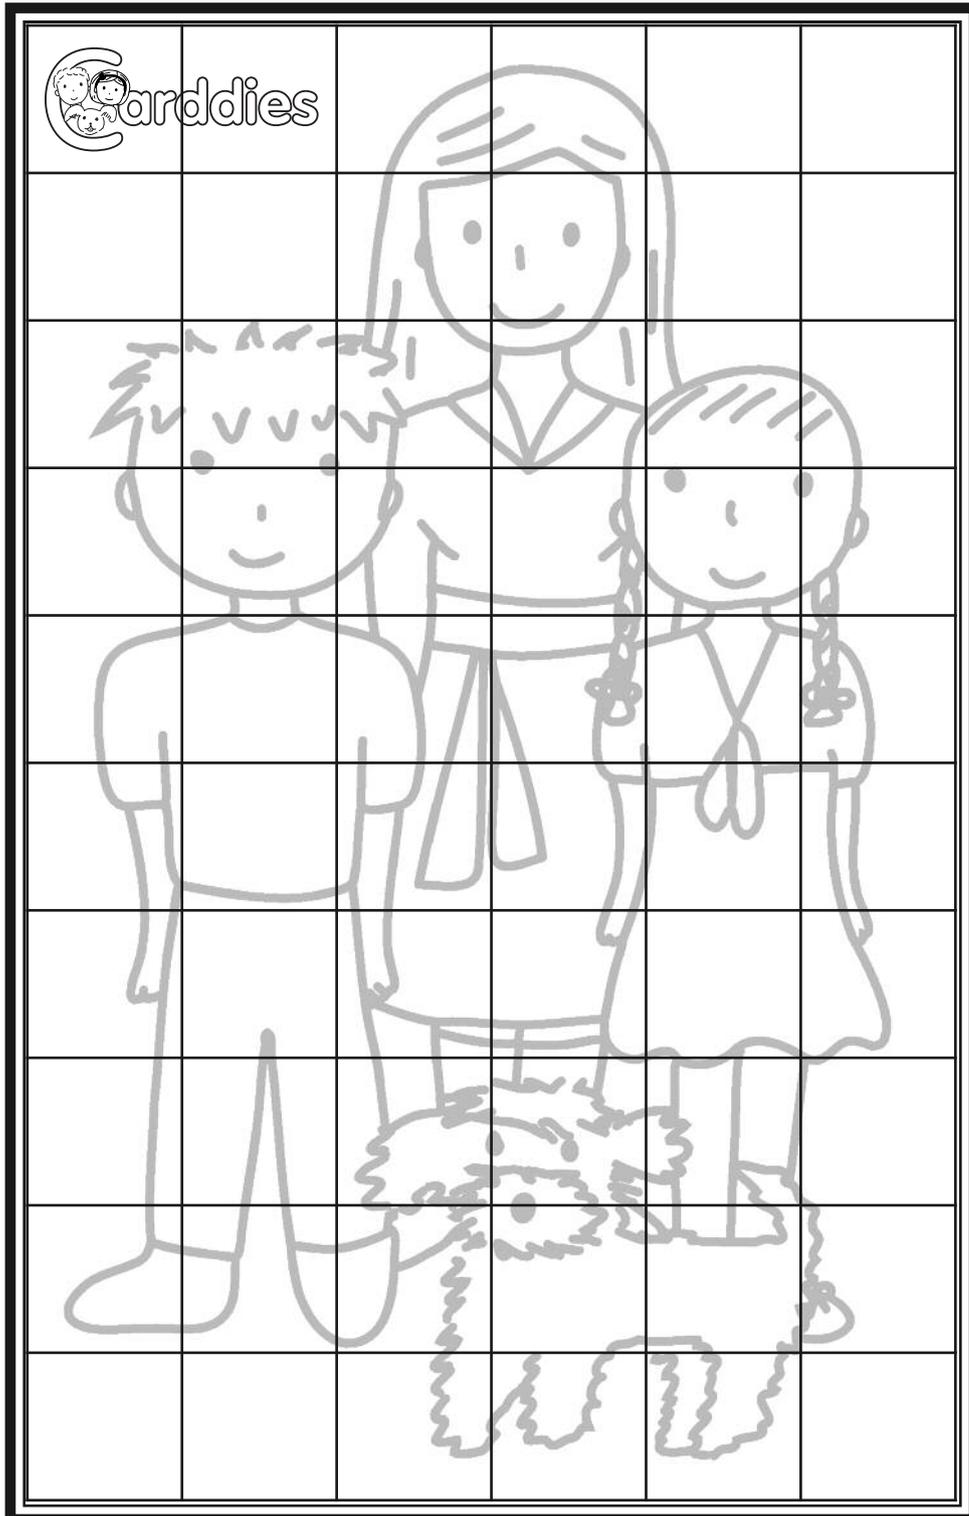

1 Carefully copy the drawing in Frame A above into Frame B on the left so you have a nice dark line to colour inside.

2 Cut out and glue the picture frame on a piece of card. Colour in your picture.

3 Cut apart all the little inside squares. Please ask an adult to help you do this.

4 Mix up all the squares and put your puzzle back together again.

Create your own Carddies Family 1 jigsaw puzzle

This version of the jigsaw project is for younger children with good tracing skills

1 Carefully trace over the drawing in the picture frame on the left so you have a nice dark line to colour inside.

2 Cut out and glue the picture frame on a piece of card. Colour in your picture.

3 Cut apart all the little inside squares. Please ask an adult to help you do this.

4 Mix up all the squares and put your puzzle back together again.
